* About the restart of AIS regular activities Part II

Information

*We won't be accepting new members for a while

*Japanese Study Group:
No gathering in September

Dear AIS Members,

Yayoi Itoh (Chairperson of AIS)

It has been almost half a year from the end of February since we suspended our activities to avoid catching COVID-19. Although we have not been able to have regular activities, board members and many other members have been working on various things during these inconvenient few months after the annual general meeting in April. I am very thankful for them.

The situation keeps changing so it is difficult to decide on the things for the near future. However, at the last board meeting, we talked about restarting our activity in September, although on an irregular basis, with some stipulations:

1. Check health condition. Not only yours, but also that of your family members living with you. Take your temperature before you go out.
2. Wear a mask.
3. Wash your hands thoroughly.

When you come to AIS, please pay attention to the above things! Let's get together again with smiles! (The situation is unsteady. If we have any change, we'll inform you on our website in the "Topic" column.)
